

EMILY BEISEL IS RUNNING FOR PETTY OFFICER ALECIA C. SNYDER-GUERRERA

Alecia Christina Snyder-Guerrera passed away on Sept. 23, 2012, of complications from a long battle with leukemia.

Alecia was born on July 5, 1990, in Auburn, Calif. She went into the Navy right after graduating from Mesa Verde High School class of 2008 in Sacramento, Calif.

She was a naval engineer on the U.S.S. Ronald Reagan. She loved her job. She loved the Navy and she loved defending her country. Most of all, she loved her family and her friends.

She was a loyal, devoted, caring, strong and very beautiful young lady. She was so good that God wanted her back now.

Everyone she knew, she touched their heart. And now she watches over all of us with her beautiful smile. She is at peace now, no more pain and suffering.

Fly with the angels our little butterfly, we love you, Alecia. She is survived by her large, loving family of parents; grandmothers; aunts; uncles; sisters; brothers; a nephew; and cousins (who are like a nephew and niece to her).
