She was predeceased by her brother Kevin Wilson. Cindy was a life-long resident of Alexandria who graduated from Groveton High School in 1975. She entered federal government service and spent 36 years building and managing IT systems for the Army, FAA, and Department of State (DOS). She retired from federal service in 2013 as the SES Director of Systems Integration for DOS Information Resource Management. She served as a consultant to DOS through 2016. Cindy loved life and cherished her family, friends, and co-workers. She was never happier than when sitting on the beaches of North Carolina and Florida, sipping prosecco by her patio fire-pit, attending book/wine club meetings or dinners with family or friends, engaging in lively debate with her co-workers over lunch, or visiting her son and his wife Bridget in Chicago. Participating in their wedding in 2015 was a major highlight of her life. Cindy was the personification of elegance, intellect, beauty, and charm, and brought joy and the spark of excitement to the lives of those she touched. Her loss leaves a hole in our lives and hearts that can never be filled. Rest in love and peace our beloved Cindy.
